

Public Information/Environmental Education Specialist, P.T.

Mid-Maine Waste Action Corporation (MMWAC), a regional solid waste management corporation, operates a modern Waste-To-Energy and Recycling Facility in Auburn, Maine and seeks a qualified professional to serve as its Public Information and Environmental Education Specialist. This position involves educating the public about the environmental and economic benefits of waste-to-energy and recycling as a vital component of a comprehensive solid waste management system and for its role in environmental sustainability. The successful candidate will make presentations to, and lead tours for groups of all ages, prepare, or participate in developing informational material such as brochures, Power Point presentations, videos, and social media postings. This is a part-time position with flexible hours. Good verbal communication, writing, and computer skills a must. A college degree with an emphasis in environmental, public relations, public policy, journalism, or related discipline preferred. Relevant experience desired. For more information about MMWAC see www.midmainewaste.com Please email resume, cover letter, and salary history to:
